

2010 Guatemala Labor of Love Walk and Roll Sunday, September 5

Please walk to raise money to help the poorest of the poor in Guatemala.

100% of all funds will go to help three very needy causes.

- 1** Help the nuns in the San Andrés Itzapa community feed orphan children currently eating out of a dump in Coban Guatemala.
- 2** Allow us to continue adding clean water filtration systems providing clean water where there once was none.
- 3** Help Ceci one of our interpreters with previous and future medical expenses derived from having a brain tumor removed.

The walk will help the nuns of San Andrés Itzapa feed orphans in their community.

The walk will help add much needed water filtration systems like this one.

Meet us at Rockhurst high School after the 5pm Mass on September 5.
