

# **STM School Technology Refresh**

October 2016

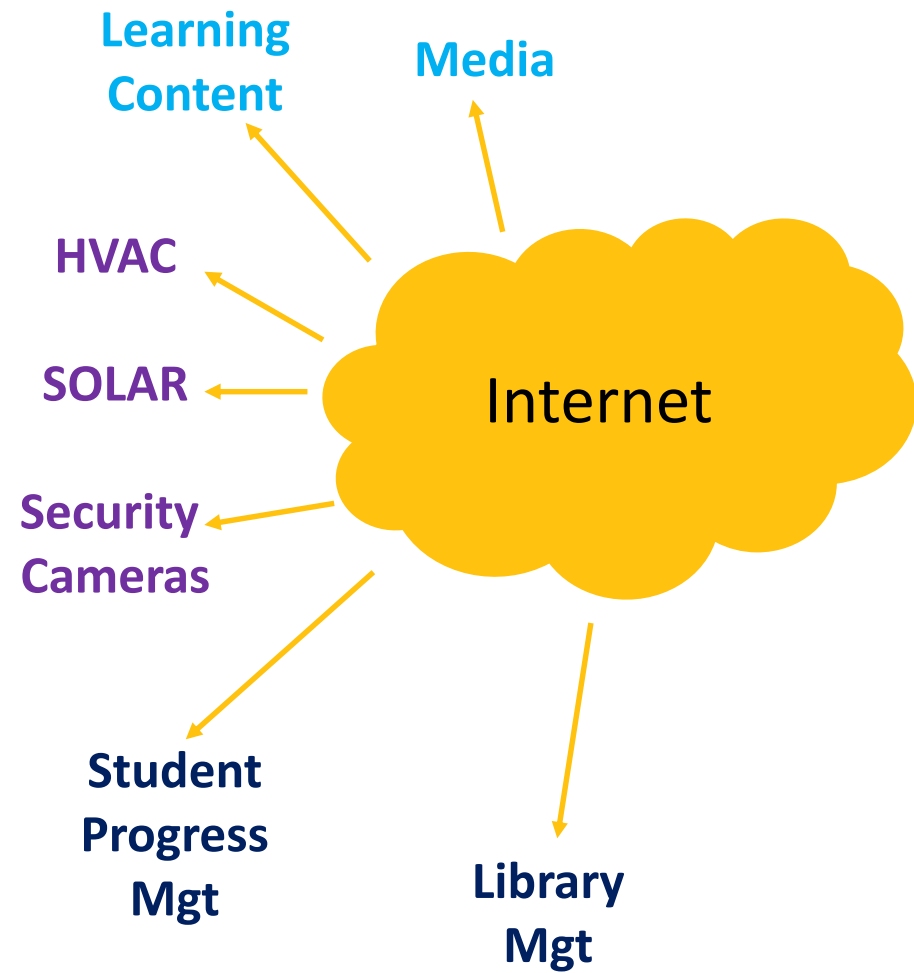

# **STM School Technology Refresh**

-  **Where we are today**
-  **What we'd like to add**
-  **What that enables**

# STM School Technology Refresh

## ● Where we are today

- Functionality moving to the cloud
- 2006 era PC's
- 1990 era wired network
- Spotty wifi coverage

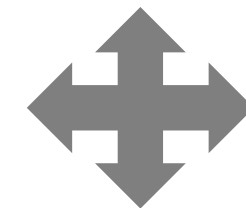

Google  
Community Connect

1000

45 Laptops

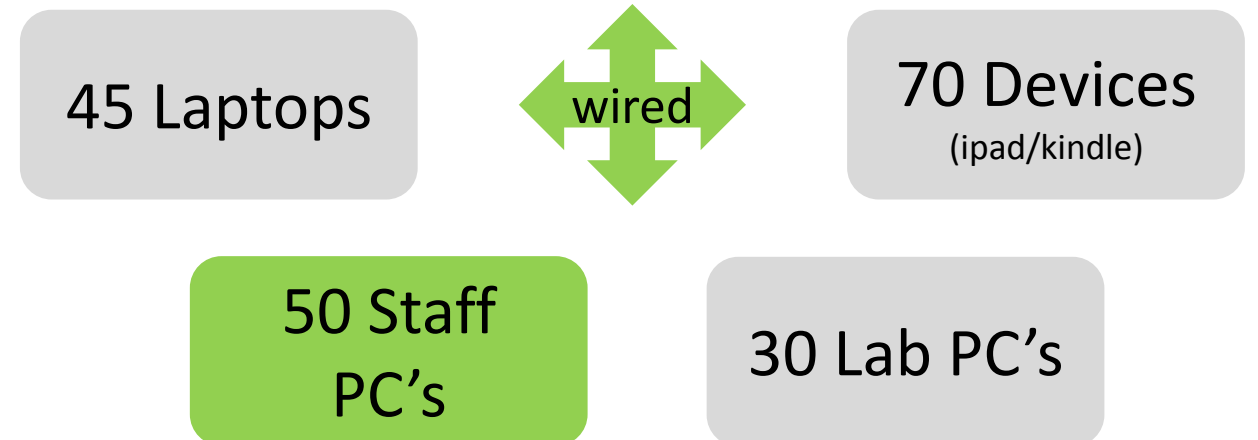

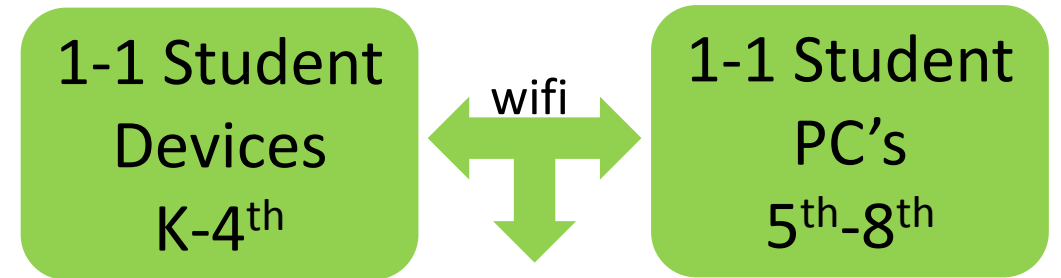

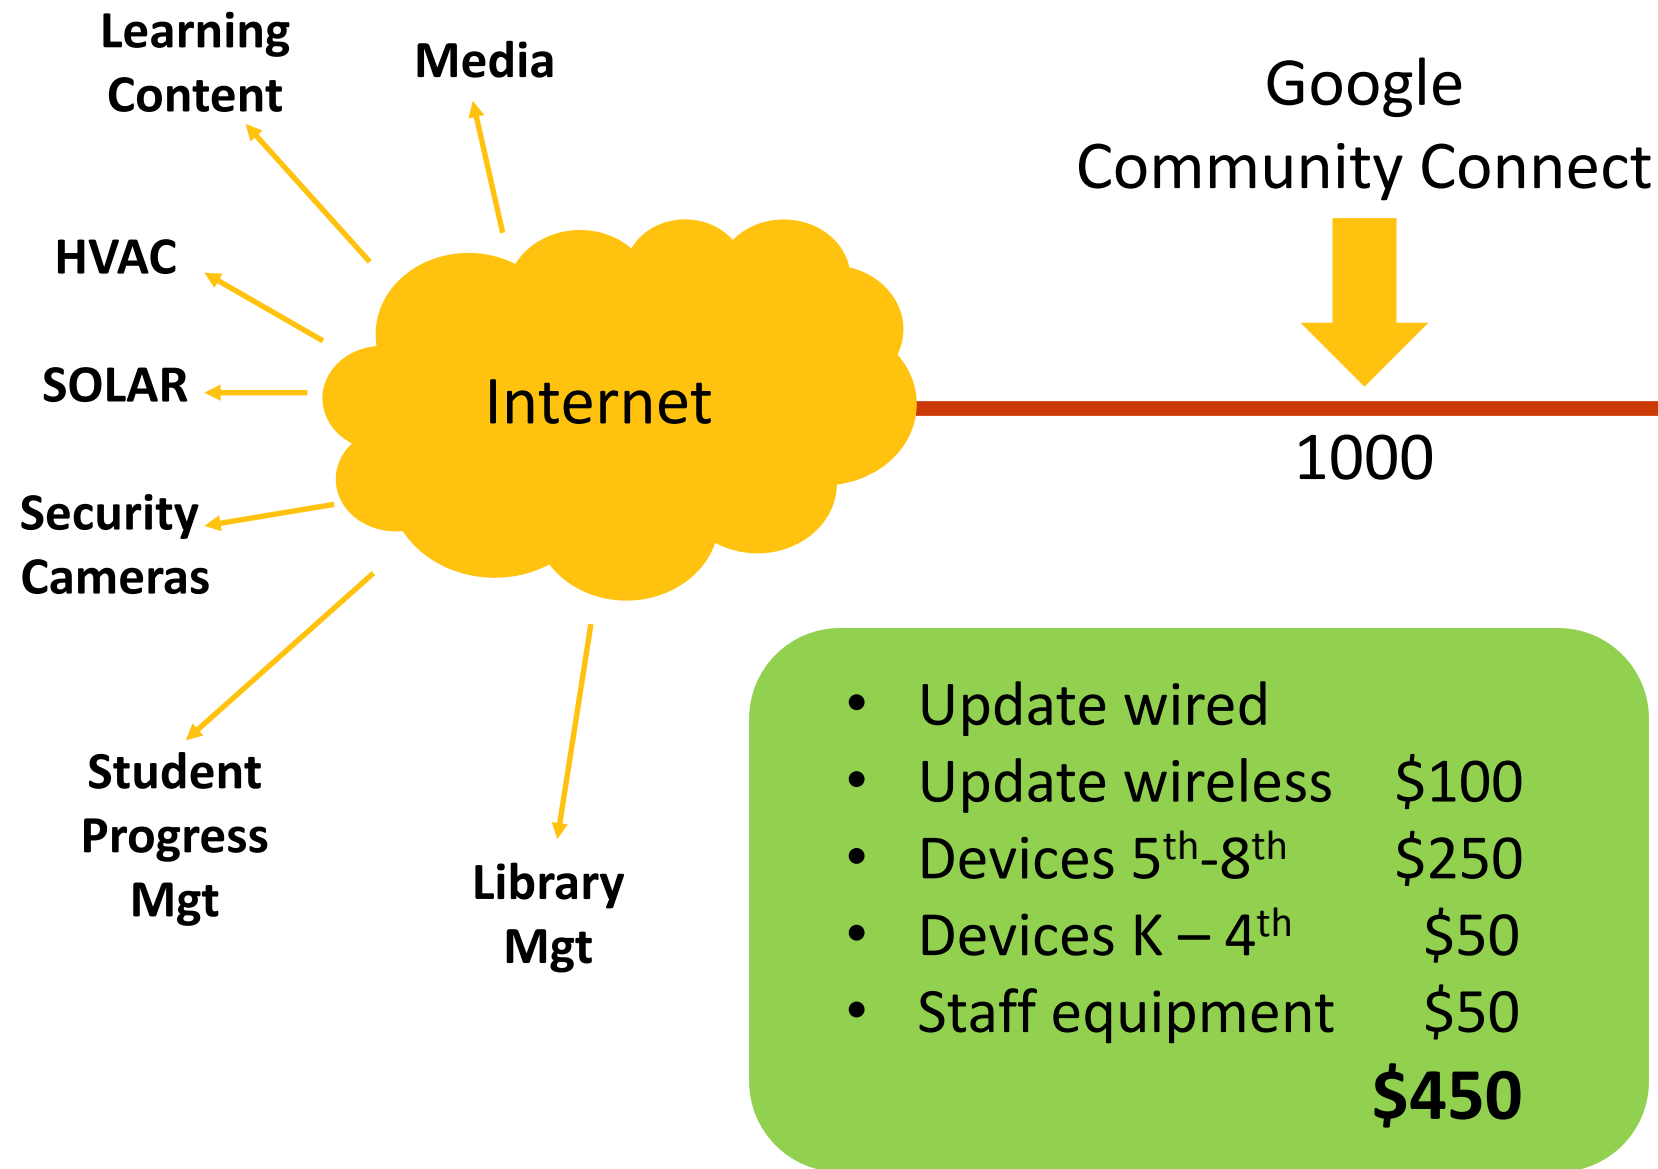

70 Devices  
(ipad/kindle)

50 Staff  
PC's

30 Lab PC's

# STM School Technology Refresh

## What we'd like to add

# STM School Technology Refresh

## What that enables

### Equipment

- Update network
- Wired / wireless \$100
- Devices 5<sup>th</sup>-8<sup>th</sup> \$250
- Devices K – 4<sup>th</sup> \$50
- Staff equipment \$50

**\$450,000**

### Endowment

Sustainability

**\$500,000**

Provide consistent classroom curriculum content delivery

Integrate technology in classroom: 1-1 devices for students

Provide interactive curriculum content (licenses, etc)

Provide more media options (smartboard, projector, sound)

Provide sustainable refreshes to keep current
