

January 2017

Dear Parents and Guardians,

With the 2017-18 school year registration right around the corner we want to make sure everyone has all the information in advance. Attached is the fee and payment information for Registration Fees, Activity Fees, Tuition, and Preschool payments. After consideration by the School Advisory Board there are multiple options for payment of your registration fee. Please look over this form to understand the differences in the options available. ***Also if you are in need of financial assistance for the Registration and/or Activity Fees you will need to fill out and submit a Smart Tuition application to receive any assistance available.***

You will again have the option to pay the Registration Fee in a one-time payment or have it deducted from a checking account or credit card in two or six installments. The Activity Fee will be due before the Auction (currently scheduled the Saturday after Catholic Schools Week). The entire Activity Fee can be completely offset through participation in the fundraising activities in the fall. If your Activity Fee is not at a zero balance by the due date it will be automatically charged to the banking information you provide for your Registration fee.

This year, registration will take place in Flanagan Hall at the school. Please completely fill out the forms in advance. There is some specific information on the registration form that will need to have before the form is accepted. Here is some of the information that has been omitted in the past:
