

## 1) Unique URL

Ask your organization for their unique link to join Dynamic Pay.

These can be shared via email, social media, pay for app cards, signage, flyers, etc.

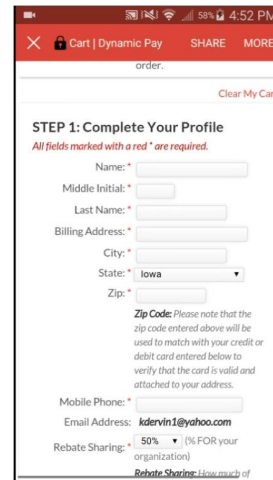

(This image is for sample purposes only!)

## 4) Complete Profile

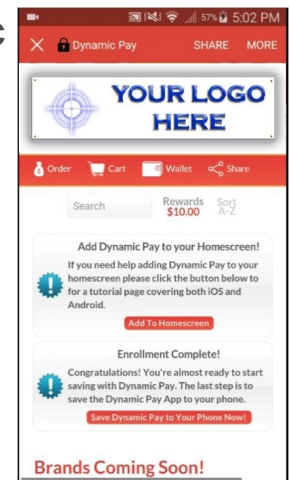

Complete your profile information.

Your billing address information should match the billing address information on your credit card statement.

## 7) Add Dynamic Pay to your Home Screen

Now just add Dynamic Pay to your device's home screen and you'll be ready to start earning cash back rewards with your everyday purchases.

## 2) Join Now

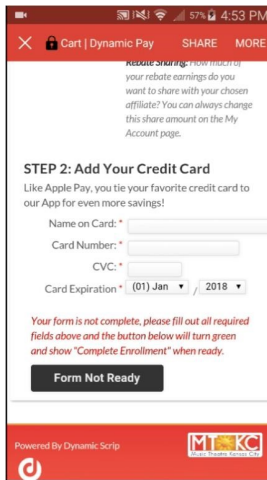

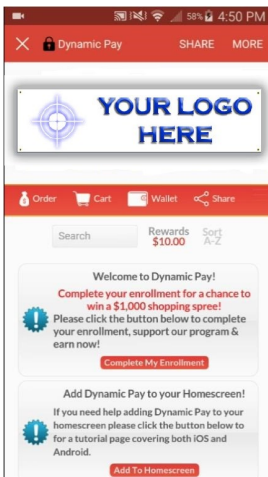

Enter your email address and create a password.

NOTE: Password must contain at least 1 capital letter, at least 1 small letter, at least 1 number, and be at least 8 characters long.

## 3) Two Steps

1) Complete your enrollment... You'll add profile information, connect a credit card, and purchase the Dynamic Pay app, which opens up access to all of the retailers.

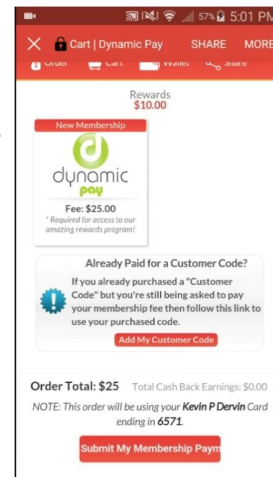

2) Add Dynamic Pay to your Home screen.

## 5) Add Credit Card

Add your favorite credit card information.

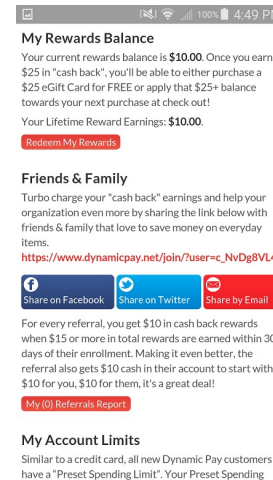

You can even use your favorite rewards credit card and still earn those credit card reward points in addition to Dynamic Pay Cash Back Rewards!

## 6) Purchase Membership

\$25 membership fee gives you access to Dynamic Pay's amazing awards program.

If you previously paid for a customer code, click the button to add your code. Otherwise, click "Submit my Membership Payment".

## 8) My Account options

From the menu (3 lines next to the organization logo), access your My Account page.

From here you can Redeem your Rewards, Share with Friends & Family, and view Account limits

## 9) Add up to 3 Credit Cards

In the My Accounts page, you can also manage and/or add two more credit cards to use with your app. Now when purchasing an eGift card, you will be able to choose which card to complete your purchase.
