Discipline and Discharge Policy (Parents/Guardians: This form must be signed and returned prior to all students start date)

Your child is entitled to a pleasant and harmonious environment. The Aftercare program cannot serve children who display chronically disruptive behavior. The administrative team retains the right to modify these procedures and take whatever disciplinary action deemed appropriate on a case by case basis. Chronically disruptive behavior is defined as verbal or physical activity, which may include, but is not limited to behavior that: requires constant attention from staff, inflicts physical or emotional harm on other children, abuses the staff (physically and or verbally) ignores and disobeys the rules which guide behavior during the school day and during the program time. Reasonable efforts will be made to assist the children to adjust to the program setting. Disruptive behavior will be dealt with in the following manner:

1. If a child misbehaves they will be given a five minute time out in order to cool off and think about their actions.
2. If a second time out is given in the same day, a discipline form will be written by the caregiver. This form will be given to the parent/guardian to read and sign. The report will remain in the child's After Care file.
3. If a child receives three written Discipline forms, the child will be suspended the from the After Care program for a week.
4. If, after reinstatement, a fourth behavior related Discipline Form is given, the supervisor may expel the child immediately without the right of reinstatement.
5. Any behavior, regardless of prior incidents, that endangers other children in the program may result in immediate expulsion from the program without the right of reinstatement.
